### About Our Event

Evening of Light is an empowering event giving voice to the resilience of survivors. By sponsoring Riverview Center's Evening of Light, you help survivors get the advocacy, support, and counseling they need, while also increasing your brand awareness and community goodwill for your organization.

***New This Year!*** With your support, Kevin will be offering a free training for law enforcement professionals, sexual assault nurse examiners, sexual and domestic assault advocates, mental health professionals, military victim advocates, child protection center staff, and more on April 11, 2025. This training will be available for professionals across Riverview Center's 16-county service area in Iowa and Illinois.

### About Our Keynote Speaker

Kevin is a former federal prosecutor and survivor of childhood sexual abuse, whose caseload heavily focused on child exploitation crimes including production of child pornography, sexual trafficking traveler cases, and other significant crimes against children. Hear Kevin discuss how we – individually and through the systems of which we are a part – can do better in preventing harm done to children.
